ATTENDANCE

Attendances are recorded electronically by teachers for every lesson at Cromer Campus. This allows us to have accurate data about when students are in class.

School Commences

8:40am
(students should arrive by 8.30am).

School Concludes

3:00pm
2.00pm Thursdays

Note: Yrs 8-10 finish at 2:30pm on Wednesday after sport

Late Arrival

Any student arriving after the first bell at 8.40am must report to the Student Welcome Centre to sign in using their student ID card (issued after school photos are taken in March) and collect a late slip which is shown to the student's class teacher.

Parents will be informed by SMS if a student is not at school or has arrived late. SMS messages are sent through a randomly generated phone number which is not linked to the school. This message can be replied to with an explanation for the absence. Student attendance can also be monitored by parents through the Sentral Student Portal.

If a student is not in class, it is their responsibility to catch up on work missed.

Advising of absence from School

Please phone or email the school in the morning to report your student absent or late. SMS messages are sent to Parents/Carers for students who are marked as absent or issued late arrival in period one.

- Three days sick – Medical certificate required.
- Extended absence – for long term leave (five days or more) from the school (holiday etc.) a leave form obtainable from the office must be submitted before leave is taken.

Early Leave Pass

If your student needs to leave the school grounds 'early' during regular school time for any reason, Parents must phone or email the school. Please include the students name, roll class, time of leaving and reason.

The student may also bring a note to the Office before school commences requesting permission to leave early.

The Office staff will issue the student with a leave pass, stating the time the student will be leaving. This slip is shown to the class teacher to be released from class. Students need to retain the leave pass until they reach home as proof they are officially allowed out of school.

Last minute calls to the school for immediate release of students may incur delays whilst we locate the student.

Student illness

Students who are feeling unwell during class time should ask their teacher for an Out of Class pass and report immediately to the Office. Administration staff will contact a parent to collect the student.

Contacting students

Students are not to use mobile phones at school. Please do not text or call your student when they are at school.

Please call the school directly on 02 9981 1155 if you need to contact your student at short notice. Staff will not speak to parents on a student's personal phone.

STUDENT REPRESENTATIVE COUNCIL

The Student Representative Council involves students in many areas of school life. SRC members assume high profile leadership positions within our school community. The SRC meets weekly at lunchtime and operates under its own constitution. The constitution was devised and written by students on the Council.

Students from each year group are elected by their peers to represent them on the Council and together with the Captains and Vice-Captains, work together in helping to formulate decisions and to arrange activities, which aim to make our school an interesting and enjoyable place to learn. The SRC also initiates and supports fundraising activities to benefit our school and others in the wider community.

TEXTBOOKS

Textbooks are supplied on loan to students for an annual fee and on the understanding that they remain the property of the school and when required must be returned in a satisfactory condition.

UNIFORM

DEPARTMENT OF EDUCATION POLICY

The Department of Education supports the wearing of school uniforms by students and the upholding of high standards of dress by students. Students are expected to wear the uniform during school hours, while travelling to and from school, and when engaging in school activities out of school hours. A core rule set by the Department of Education states that all students in N.S.W Government schools are expected to “maintain a neat appearance, including adhering to the requirements of the school’s uniform or dress code policy”.

SCHOOL POLICY

The school’s community has determined that Cromer Campus is a uniform school, and all students are expected to wear the regulation uniform set out in this policy. The uniform policy, for both the junior and senior, was developed after much consultation with the parent community. The Cromer Campus uniform reflects school community standards and expectations. The Cromer Campus Uniform Policy is linked on the school website.

There is no summer/winter uniform changeover date. At Cromer Campus we encourage students to dress accordingly to the current conditions. This commonsense approach ensures students are in uniform and comfortable all year round.

For students who choose to wear shorts, they must reach mid thigh in length. Micro shorts are **not** acceptable.

The wearing of make-up and jewellery (including piercings) is discouraged.

BREACHES OF POLICY

When a student attends school out of uniform, they must produce a note of explanation signed by a parent.

If the breaches of the uniform code continue, parents will be contacted to resolve the problem. If the problem persists a formal notification may be issued.

FOOTWEAR AND SAFETY IN PRACTICAL WORK

A Department of Education directive states that: “thongs, open type sandals or shoes, canvas type shoes and/or gym boots, shall not be worn in practical classes where there is the possibility of injury through spillage of hot liquids, metals, or the dropping of heavy or sharp instruments, tools etc.

Shoes must be fully enclosed, black (with black laces) and have “stout soles” and “firm uppers”.

UNIFORM SHOP

The Uniform Shop is located onsite at Cromer Campus (access via Gate 2).

It is open (during school terms) at the following times:

- Tuesday mornings 8am - 9am (before school) and 11am - 12noon (Break 1).
- Thursday afternoons 12.30 - 2.30pm (during Break 2, then after school).

Online Orders

Order new items and pay securely using our online order form on the school website:

<https://nbccromer-h.schools.nsw.gov.au/about-our-school/uniform-shop.html>

Students may collect orders before or after school, or during break times.

Sustainable items

Preloved items are also available from the Uniform Shop (not online) for \$5 - \$10.

Reusable school uniform items can be delivered to the donation box location near the Student Welcome Centre. The clothes will be recycled and offered for sale in our Uniform Shop.

Refunds and exchanges

New items may be refunded or exchanged if returned in original condition with the tag attached.

No returns or exchanges on socks, stockings, hats or second hand items.

VACCINATIONS

NSW Health works with schools to offer human papillomavirus (HPV) and diphtheria-tetanus-pertussis (dTpa) vaccines to Year 7 students in a school-based vaccination program.

These vaccines are recommended by the National Health & Medical Research Council (NHMRC) and funded under the National Immunisation Program.

Information about the vaccines and the diseases they protect against will be given to students in Year 7 prior to the vaccination date.

Parental consent is required for vaccination and will be requested online for the year 7 program.

For more information, please contact your local public health unit on 1300 066 055 or visit the website www.health.nsw.gov.au/immunisation.
