Dear Parent and Carers,

Thank you for your expression of interest in the Cromer Campus Creative Arts Enrichment Program for 2021.

The closing date for application is Friday 3rd April 2020, by 4pm. A \$30.00 fee applies for each Creative Arts Enrichment (CAPA) Program and must accompany the application form. A Remittance Advice is provided to help facilitate this.

Please read through the information below. Once you have applied and paid for the application, you will be advised by mail if your child has been short listed. All short listed students will be required to attend an audition for Music (see below), Dance and Drama or an interview for Visual Arts to determine final selection.

Students should demonstrate commitment to academic studies in addition to their creative arts talent. Copies of primary reports for the last two years and Year 5 Naplan results must be included with your application or it may not be processed.

Commitment to participate in school ensembles for Music, Dance and Drama applicants is essential.

Offers for the Cromer Campus Creative Arts Enrichment Program will be made by end of Term 2.

We look forward to welcoming you and your child to NBSC Cromer Campus.

Yours sincerely,

Justin Hong
Principal

Selection Criteria

Music: Cromer Campus is looking for students who are committed to music and are practising regularly. Students should be able to read music at a reasonable level. Commitment to participate in school music ensembles is essential. Please identify what instrument your child plays and at what level. All applicants attend an audition and will perform TWO prepared contrasting pieces (combined time of 10 minutes) and will complete a sight reading exercise on their instrument of choice or voice. Please note that this is **NOT** the application for the band class. This is a separate form found on the web site.

Visual Arts: Cromer Campus is looking for students who are committed to developing their talent in Visual Arts. **Please do not** send any samples of your artwork with this application. All applicants will attend an interview. A portfolio of recent (from past two years only) artwork must be brought to the interview for consideration.

Dance: Cromer Campus is looking for students who are committed to dance and are attending regular dance classes. Commitment to participate in school dance ensembles is essential. Students should have performance experience and be performing at a high standard.

Entry to the dance program is by a group audition. Applicants will participate in a group contemporary dance class – they are not required to perform solo performances. Applicants should wear comfortably fitting dance clothing to allow freedom of movement.

Drama: Cromer Campus is looking for students who are committed to developing their talent in Drama. Commitment to participate in school drama ensembles is essential. Entry to the drama program is by group audition. Applicants will participate in group drama activities – they are not required to perform a prepared solo performance. Applicants should wear comfortable clothing to allow freedom of movement.
