I am very much looking forward to meeting many more members of our community at our 6th Annual Golf Day next Tuesday. Please see the information on page two of the newsletter if you would to play or attend the dinner. Thanks to the P&C for their brilliant organisation of this event.

Mr Justin Hong
Principal

Relieving Deputy Principal Years 7, 9, 11

I would like to take this opportunity to introduce myself to the parent community of Cromer Campus. I am extremely pleased to be the Relieving Deputy Principal for this term at Cromer. I have had many years in the position of Deputy Principal and Relieving Principal over my 32 years of teaching and believe that I have a lot to offer the students, teachers and wider community.

Within the short time that I have been at the school I have observed that Cromer is a wonderful school with very committed teachers and friendly, polite students. I look forward to meeting more students and their families in the time that I have at Cromer.

Some of the activities undertaken over the past weeks have been:

Year 11

I had the pleasure to meet many Year 11 students at their recent interviews. They presented as very mature young people who had a clear focus and goal for the future. I now encourage all students to concentrate on their studies for their Higher School Certificate, to plan for their assessments and to use their study time at school and at home wisely.

Year 9

Year 9 is now half way through their Stage 5 courses and need to be reminded of the importance of applying themselves with diligence and sustained effort. Some N Award Warnings have already been issued to some students. If your child receives a warning letter they must ensure that they complete the work that is written within that warning letter, otherwise they may be putting their Record of Student Achievement (RoSA) into jeopardy.

Year 7

This is a very busy term for Year 7 with Swim School and their approaching exams. I would recommend to all Year 7 students to plan for their upcoming exams by drawing up a study timetable and preparing summaries for each of their subjects.

Mrs Jane Dean

Relieving Deputy Principal (Monday, Thursday, Friday)

Girl Talk with Mrs Stevens

On October 20th and 21st I had the pleasure of taking a group of Year 11 girls to the head office of Fossil Australia in Brookvale. During the two day Work Inspirations experience the team at Fossil (Vanessa Miles, Linton Davey and Frank Burke) guide the students through a series of activities and workshops to gain a real insight into the world of business. The most valuable part of this experience is when the girls get to talk to employees about their careers and this experience gives students a real insight into the world of work.

Once again our girls were amazing and I have to thank Kaitlyn Smith, Brooke Harris, Alisi Kanongataa, Alisi Pulu, Elouise Fawcett, Gemma Butler, Lipeti Baranyi and Sharon Assubuje for their positive participation in the program. The girls asked lots of questions, were engaging, gave excellent feedback and were dressed for work. I was so proud of them, they were great ambassadors for our school.

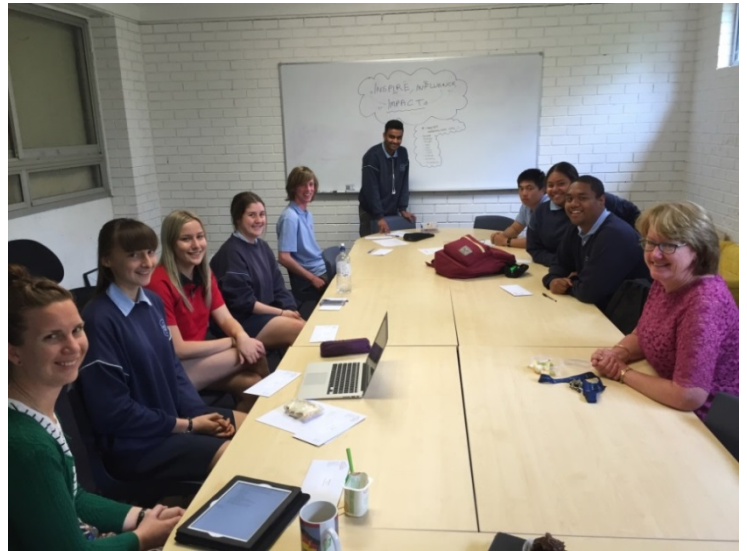

Again, I cannot thank the staff of Fossil enough for participating in the Work Inspirations program with our girls, and in particular Frank Burke for helping to establish the program last year. Also, special thanks go to Linton Davey and Vanessa Miles in the Human Resources team who gave up two days out of their busy week to run the program. It has been a pleasure to work with you again, and I look forward to next year!

Student Leader News

INSPIRE INFLUENCE IMPACT

The Leadership Team, during our Thursday meetings, have been discussing our core values and what we believe leadership is all about. *INSPIRE INFLUENCE IMPACT*.

On 15th October, our leaders had the opportunity to attend the annual NBSC leadership conference where all five schools in the college participated in a range of activities that brought us together as one college. Throughout the day, we discussed what we as leaders can achieve and improve. We were assigned in mixed groups in order to build relationships with others, to discuss new ways of thinking about leadership and how we can all make a positive impact on the community. Together we are working towards not just improving our individual schools but also improving the connections between the five colleges. For us, the leaders of Cromer Campus, we are working towards engaging in relationships with students to unify the school community.

GLOBAL DIGNITY DAY

YEAR 10 STUDENTS MARINA NOORBERGEN AND PAUL ROSE REPRESENTED NBSC CROMER AT PARLIAMENT HOUSE WITH YEAR ADVISER MS BROOKS FOR GLOBAL DIGNITY DAY ON FRIDAY 23 OCTOBER.

Marina Noorbergen reports:

Global Dignity Day first started in 2006 and involves countries from all over the world. This was the first time Australia has been involved.

As part of Global Dignity Day, students from Year 10 in public and private schools all over Sydney were encouraged to recognise dignity as an important right for themselves and others, and to tell their own stories of living a dignified life.

The main speaker was the former High Court Judge, The Honorary Michael Kirby, who told us that everyone has the right to lead a dignified life and spoke about how even though we are all different, we need to recognise the importance of dignity in our lives and the lives of others. If there was one thing we took away from the experience it would be that we all need to embrace and celebrate diversity in Australia. Paul Rose agrees that we need to find a way to improve the dignity of all Australians. The concept of global dignity includes the following five principles:

1. Every human being has a right to lead a dignified life.
2. A dignified life means an opportunity to fulfil one's potential, which is based on having a human level of health care, education, income and security.
3. Dignity means having the freedom to make decisions on one's life and to be met with respect for this right.
4. Dignity should be the basic guiding principle for all actions.
5. Ultimately, our own dignity is interdependent with the dignity of others.

Marina and Paul were true ambassadors of NBSC Cromer Campus at Global Dignity Day, displaying respect, enthusiasm as they actively participated in the events of the day, well done to you both!

Sport at Cromer

The year is flying by and as we approach the end, we still have plenty of students achieving in their sports. Please read on to find out more.
