SCHOOL STRATEGIC PLAN 2018-2020

By **JUSTIN HONG**
Principal
NBSC Cromer Campus

Building on recent successes of our school and after a lengthy consultation process with staff, parents and students we have completed the school's next three year strategic plan. A full copy of this plan can be found on the school's website but a much more user friendly one-page summary is on page 2 of this edition of the newsletter. This summary highlights the school's future commitment to:

- quality education through an ongoing commitment to literacy and numeracy where our students have had great success, particularly in writing.
- high expectations by further developing our visible learning strategies. This includes learning goals and success criteria in classrooms, and a deeper commitment to formative assessment strategies where teachers are able to make accurate judgements on student learning and provide relevant and meaningful feedback to assist students in achieving their learning goals.
- supporting students' wellbeing and confidence through PBeL programs related to our school values of RESPECT, RESPONSIBILITY and SUCCESS.
- fostering partnerships with our local primary schools, tertiary education providers and the wider community to build authentic relationships and enhance post-school opportunities for our students.

There are many other programs including the school's learning conversations, homework club and commitments to extra-curricular programs like band, dance etc. Our school's vision remains *"Students at Cromer Campus will be successful today and prepared for tomorrow. We are committed to providing excellence in teaching and learning that fosters resilient, passionate and accomplished lifelong learners."* I commend this plan to you and I look forward to building on the successes of our last strategic plan.

TERM 2 STAFF DEVELOPMENT AND PUPIL FREE DAY
Our staff development day and pupil free day will occur on Monday 2nd of July (Week 10 of Term 2).

NBSC CROMER CAMPUS SCHOOL PLAN 2018 - 2020

INTEGRATED STUDIES FACULTY NEWS

BY **MICHELLE GOLDING**
NBSC Cromer Campus
Integrated Studies
Head Teacher (Rel)

In this Cromer Courier we would like to acknowledge the wonderful, tireless and innovative work of soon to be retiring Sherille Sullivan who has been Head Teacher of Integrated Studies for the past nine years.

For over 35 years Sherille has been a teacher, working in primary and high schools with her main role in Special Education while raising her family of five children with husband, Chris. Her work in Integrated Studies has been effective in creating many improved student outcomes and learning opportunities for our students here at Cromer Campus. Her achievements are so many and her impact lasting as evidenced by the numerous students and parents who remember her so fondly.

Sherille has worked hard to make Integrated Studies the preferred learning environment for hundreds of Northern Beaches families. Her work setting up faculty plans for reading, literacy, numeracy, behaviour management, social skills, sporting, work experience and community access programs, as well as mentoring and supporting her staff, has been nothing less than exceptional. Sherille has initiated a popular and successful biennial 'Evening of Celebration' showcasing our students' wonderful achievements.

Sherille's unwavering focus for her students has always been about developing authentic independence, applying real life skills, being an effective communicator as well as becoming lifelong and engaged learners. This focus drove her to advocate for our students at every turn, seeking new opportunities and staying open to and promoting new strategies of teaching and learning for the benefit of our students.

The staff at Cromer will miss her exuberant personality and fabulous sense of humour as well as her great leadership and vision for the Integrated Studies faculty.

On behalf of the school and parent community we would like to say warmly and sincerely, thank you Sherille, as we wish you a well-deserved retirement.

CAREERS NEWS

BY **FIONA BIRD**
Careers Adviser
Head Teacher Welfare
NBSC Cromer Campus

Careers and Universities

A large group of our students recently attended the Northern Beaches Careers Expo to learn about career pathways. It provided our students the opportunity to meet and discuss plans with representatives from universities, private colleges, Defence and Emergency Services, TAFE, apprenticeship agencies and employment organisations.

Year 10 students have been experiencing university life by spending a day at Macquarie University. The visit includes a presentation on programs available at the university, a campus tour and lunch on campus.

Work Experience

All Year 10 students will be doing work experience from Monday 13th August until Friday 17th August.

Work experience provides an invaluable opportunity for students to spend a week in an industry that they are considering as a future career.

Students have been given three documents:

1. Student Placement Record
2. Workplace Learning Guide for Employers
3. Workplace Learning Guide for Parents

Students must have organised their placement and returned the Student Placement Record to Ms Bird by the end of this term, Friday 6th July.

If you have any questions regarding work experience please contact Ms Bird on 9981 1155.

WELFARE NEWS

At the end of last term Cromer Campus was represented at the Hear For You Deafness Awareness Event at NSW Parliament House.

On the 17th May Cromer Campus Year 11 was represented at the Young Women's Leadership Seminar at NSW Parliament House. Students were introduced to inspiring women from Parliament and from the community.

Recently Emily Fryett in Year 12 organised a fantastic Dream Big event for our girls. She invited two of our ex-students, Sharon Assubuje and Gemma Butler, to discuss their experiences in the HSC and how they pursued their careers. It was a well attended event and very worthwhile for our girls.

Mentoring Programs at Cromer

The RAISE Mentoring Program is now well underway. Every Wednesday 18 trained mentors from the community meet one on one with a Year 9 student. The aim of the program is for students to develop skills in teamwork and communication,

identify goals, feel confident about making decisions, overcome obstacles and increase involvement in school and community projects. The Mentoring Program runs for two terms with a graduation ceremony at the end.

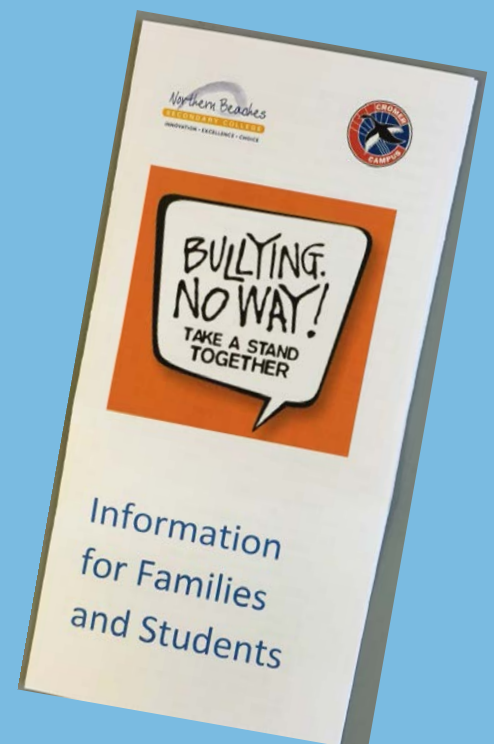

A small group of Year 7 girls have commenced the FRIENDS Resilience Program delivered by Phoenix House. This is an evidence based program aimed at increasing resilience, self-confidence, self-esteem and social emotional skills. The program runs every Friday morning for 10 weeks.

CROMER CAMPUS ZERO TOLERANCE TO BULLYING

BULLYING NO WAY!

All students in our school have been given our new Bullying No Way brochure. It includes important information for families and students as well as useful contacts who can provide support.

Bullying is an ongoing misuse of power in relationships through repeated verbal, physical and/or social behaviour that causes physical and/or psychological harm. It can involve an individual or a group misusing their power over one or more persons. Bullying can happen in person or online and it can be obvious (overt) or hidden (covert).

Please ask your child about the brochure and take this opportunity to have a family discussion.

PDHPE FACULTY SPORT CARNIVALS

BY **JON HANNA**

NBSC Cromer Campus
PDHPE Head Teacher

Cromer Campus Cross Country and Athletics Carnivals

The three school carnivals conducted at Cromer Campus are completed and the carnival season now approaches Zone level with meets in Cross Country and Athletics. The Zone Cross Country Carnival was on Tuesday 22nd May at Rat Rugby Park in Pittwater and the Zone Athletics Carnival will be held on Friday June 1st at Narrabeen. Cromer students have excelled in all disciplines with outstanding results.

ATHLETICS CARNIVAL

The Athletics Carnival was moved at short notice to Lane Cove Memorial Athletics Field. Thankfully the weather held off and despite the late change the carnival was extremely well attended. The facility proved to be more than adequate with Lane Cove Little Athletics assisting us with extra timing gates and the provision of some equipment. The day was awesome and the school enjoyed a fabulous carnival.

The school carnival finished with an exciting run to the end of the day. Combined team scores saw Gurian nudge out Wombal to win the carnival overall.

A very big congratulations to Max Ward, Alexander Stirrat and Jade Calabretta who broke long standing records - Alexander and Max in the 80m Hurdles, and Jade in the Javelin with a record that was set in the 1980s.

CROMER CAMPUS

AGE ATHLETICS CHAMPIONS

12 Years Girls	Jessica Kelly	15 Years Girls	Eloise Pugh
12 Years Boys	Jet McHardy	15 Years Boys	Jaydon Dolahenty
13 Years Girls	Mia Herriot	16 Years Girls	Jerri Gerich
13 Years Boys	Oliver Knight	16 Years Boys	Jonathan Vescio
14 Years Girls	Jade Nelson	17+ Years Girls	Madison Brilman
14 Years Boys	Jake Smith	17+ Years Boys	Otto Prowse

CROSS COUNTRY CARNIVAL

The Cromer Campus Cross Country Carnival was held on Friday the 11th of May. A warm collegial and fun atmosphere was created at school thanks to the great work of our school Sport Coordinators Monique Pontifex and Craig Amery. A barbeque helped raise some money for the school and all students ran the circuit around the huge block bordered by Fisher Road North, Campbell Avenue and South Creek Rd.

FACULTY NEWS

Year 11 Crossroads

On Friday 25 May Year 11 students attended an excellent Crossroads Workshop in the Hub. Dr Themis Garagounis addressed the students about the effects of drug use and the availability of support services on the Northern Beaches. All students were fully engaged and this was a very successful workshop.

GRADE & RECREATIONAL SPORT YEARS 8, 9 & 10

Grade Sport Teams have been selected for this year's Grade Sport Competition. It is important that all students selected return their permission note and payment to the front office so students can travel to the various schools in the zone. Grade Sport will commence after one week of training in Week 4 of Term 2.

For those students opting to participate in recreational sport, the program will commence Week 4. It is also important that permission notes are returned by any student needing to leave school grounds for the purpose of recreational sport.

Years 8, 9 and 10 students will enjoy a number of winter recreational activities including Racquet Games, Ball Games, Ten Pin Bowling, and Power Walking.

CONGRATULATIONS MINATO!

Congratulations Minato on placing 2nd overall in Level 7 Open Gymnastics at the State Championships, after placing 1st and 3rd at the two State Trials. He has been selected in the State team and will represent NSW at the Australian Championships in Melbourne, commencing May 21st. Best of luck!

CONGRATULATIONS TOM!

Congratulations to Tom, whose basketball team came 2nd in the Special Olympics National Competition in Adelaide during the holidays

WINTER SCHOOL UNIFORM

The Department of Education and Communities supports the wearing of school uniforms by students and the upholding of high standards of dress by students. Details of our uniform options can be found at <http://www.nbsscromer-h.schools.nsw.edu.au/our-school/rules-policies/uniform>.

The Cromer Campus uniform shop is open at school on Tuesdays from 8.00am to 12.00 noon and Thursdays from 12.00 noon to 4.00pm. You can order online from the Cromer Campus website by selecting 'Our school' then 'Uniform' and then 'Day-light Sports Wear'. Orders are delivered to school and can be easily collected by students.

HSIE FACULTY

YEAR 8 CREEK TO BEACH EXCURSION

BY **ALLIE EMO**
NBSC Cromer Campus
HSIE Head Teacher

Local geography for Year 8 students

To support our HSIE students with their Geography skills, staff took them on an excursion in March to study the topic Landforms and Landscapes. The day saw us follow our local creek through the suburbs, down into Narrabeen Lagoon and Dee Why Beach.

With such a perfect day given to us, students really enjoyed discovering the geographical aspects of their local area, especially the increasing impact of development on the natural environment.

YEAR 10 WAR GAMES

BY **NONI LINCOLN**
NBSC Cromer Campus
HSIE Teacher

Teamwork during conflict

On the final day of Term 1, Year 10 students participated in the inaugural HSIE 'war games' activity day. Bringing to life what we have been learning in the classroom over the past five weeks, the day was a success with students furthering their knowledge and growing in appreciation for the Australian service people who have served throughout the various international conflicts.

Students were able to handle artefacts from the Australian War Memorial in Canberra, which we were fortunate to have couriered to Cromer for the event. This included uniforms, medals and commemorative pieces from World War I, World War II and

the Vietnam War. For students, the experience was invaluable and everyone enjoyed trying on the various articles of clothing from the wars.

We also were lucky to have a warm and sunny day for our outdoor activities. Students practised excellent teamwork when they came together to find out who could catapult sandbags the furthest on the oval. We also simulated digging and creating trenches in an attempt to capture the struggles of soldiers on the western front.

The hard work put in by Tom Oliver and Rich Delrennie in organising the day was much appreciated, as were the efforts of the rest of the HSIE faculty in assisting with organisation and operations on the day.

ENGLISH FACULTY YEAR 7 STUDENTS SHINE AT COLLEGE SHOWCASE

BY **ANNETTE BROOKS**
English/Drama Teacher
NBSC Cromer Campus

Year 7 students hold a press conference

In the last week of Term 1, some Year 7 students proudly represented Cromer Campus at Freshwater Campus to showcase the Northern Beaches Secondary College Year 7 News Sim Enrichment Project.

Their class newspaper 'Cromer Chronicles' and mock news episode 'Beneath the Media' were shared with a panel of expert journalists, alongside work from Year 7 students from Manly Selective Campus and Balgowlah Boys Campus.

Cromer Campus students with a panel of journalists at Freshwater Campus

Year 7 students from 7O and 7P held a Press Conference in the Hub to interview experts from Cromer Campus for exclusive sources to use in their newspaper articles.

'Cromer Chronicles' class newspaper editors Madison Maloy, Jasmin Boeck-Hopley, and Mark Westrup spoke to the panel of journalists at the Freshwater Campus College Showcase on behalf of all Cromer Campus Year 7 students. They described their challenges trying to maintain journalistic integrity during the process of the enrichment project.

Congratulations again to all our dedicated Year 7 students from 7O and 7P who were involved in the enrichment project. A showcase of all Year 7 News Sim Enrichment student work will be displayed at the Year 7 Showcase Evening at Cromer Campus later this year.

Year 7 students with the 'Tech Team' during filming of their news media episodes

PUBLIC SPEAKING SOLO WIN

Congratulations to Jessica in Year 7 who recently entered the Northern Beaches Eisteddfod in Speech and Drama in the 12 Yrs and Under Public Speaking Solo.

Her three minute speech was 'Australia's Population from WW1 to the B Line' and we are

very proud to announce her success, winning First Place in the Category!

This was a very special achievement and we are certain Jessica will experience further successes with our Cromer Campus debating team in the near future!

SOON TO BE PUBLISHED AUTHORS

Year 7 students are soon to be published authors!

Recently everyone in my 7O English class was encouraged to enter a short story written in class to a Write4Fun story competition. This week Daisy Freeman, Charlotte Mace and I received a congratulations letter and Achievement Award in the mail, informing us that we have made it past the first round of judging!

We were very excited to find out that our stories will be published in a hard cover book titled 'Horizon of Dreams' which will contain poems and stories from students all around Australia!

Our English teacher Ms Brooks is delighted to know that we will soon be published authors and

have made it through the first round of judging. The final winners will be announced later this month and we are all hoping for the best. The major prize, if won, is \$1000 and an electrical device.

Dear Parent/Caregiver,

The Cromer Campus P&C Association is selling the Entertainment Books /Mobile Phone Apps this year as part of its fundraising for the school.

Orders can be placed via the Cromer Campus website, Facebook or by typing the following into your browser - <https://www.entertainmentbook.com.au/orderbooks/200t156>. Alternatively, you can complete the order forms located in the Reception Area.

There are heaps of great savings – including 5% discount at Woolworths on your groceries for a whole year, shopping, dining out or take-away, entertainment and travel.

Mobile Phone Apps can be shared between two mobile phone numbers. You can redeem the total cost of \$70.00 by using just a few vouchers, and then continue to save throughout the whole year. Please support the school's fundraiser by telling your family and friends and by purchasing your copy from us.

Hope you enjoy all of the fantastic savings on offer.

Make the right choice and help Northern Beaches Secondary College - Cromer Campus raise funds...

You can help us by buying an Entertainment Book or a Digital Membership. Still deciding which is right for you? Both contain hundreds of valuable offers for everything you love to do, but the Digital Membership gives you the convenience of the traditional Entertainment Book on your Apple or Android device so you can redeem on the go. Order now so you don't miss out!

Helping Learner Drivers Become Safer Drivers Workshop

Tues 12 June 6:30 – 8:30pm

This two-hour workshop aims to increase the confidence and knowledge of supervisors who oversee learner drivers. It covers:

- Changes to the Learner Driver Licensing Scheme that started from the 20 November 2017
- Log book apps approved by the Roads and Maritime Services
- Completing the Learner driver log book
- Understanding the benefits and safety aspects of supervised on-road driving experience
- Licence conditions for learners and provisional licence holders
- Reinforces the importance of on-going support for young drivers in the early years of driving

Compulsory School Attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school. What should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department

may apply to the Children's Court for a *Compulsory Schooling Order*. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.

Further information regarding school attendance can be obtained from the following websites:

Policy, information and brochures:

Please visit the Department of Education's *Policy library*

The school leaving age: Please visit the Department of Education's *Wellbeing and Learning* website

Do you need an interpreter?

Interpreting services are available on request, including for the hearing impaired. The Telephone Interpreter Service is available 24 hours a day, seven days a week on 131 450. You will not be charged for this service.

For further advice and questions contact your educational services team
