FROM THE PRINCIPAL

YEAR 12 2018

By **JUSTIN HONG**
Principal
NBSC Cromer Campus

Term 3 is the end of formal classes for Year 12. This week we held their graduation ceremony on Thursday and these are always highly emotional events. However, they are also a great celebration of a milestone in a young person's education as 13 years of schooling draws to a close. I am extremely proud of 2018's graduating class. They are an impressive, respectful and responsible group of young adults. I know that they are ready for their HSC exams and beyond that, they are ready for the challenges they face after high school. I sincerely thank the families and parents of Year 12 for the support they have given throughout their six years of high school. Well done Year 12 and good luck in your upcoming exams.

P&C - Working Bee at Cromer Campus

Sincere thanks to the P&C for organising a very successful working bee at the school last Saturday. Every parent commented on how willing they were to help, and hoped that we would be doing this again in the near future. We not only accomplished some work for the school, but it was also a great way to socialise and meet other parents. Des McLachlan, our P&C President, cooked everybody an amazing BBQ lunch. Des is fast becoming well known for his gourmet catering skills and I suggest that future BBQ opportunities are not to be missed. Well done Des and the parents who supported the day. Together we accomplished a clean-up of the front entrances to the school and some upkeep to the entry gardens, including trimming plants and spreading new woodchip on the gardens. More impressively, we painted the outdoor student seating in the main quadrangle, which now looks brand new. A photo is attached. Thanks again for a great community day at our school.

Students enjoying our outdoor seating - renewed by the P&C working bee

NSW LEGACY JUNIOR PUBLIC SPEAKING AWARD NORTHERN SYDNEY LOCAL FINAL

Public Speaking is alive and well at Cromer Campus. On Thursday 16th August Jessica of Year 7 represented Cromer Campus at the Local Regional Finals of the Legacy Junior Public Speaking Competition.

This competition is open to both Government and Non-Government schools. Jessica was successful in progressing to the next round and presented her speech on our population explosion at the Regional Finals at The Arts Unit, Lewisham on Wednesday 5 September 2018.

Jessica was the only student from a comprehensive coeducational government school representing our region, a wonderful achievement of which we should all be very proud.

Cromer Campus congratulates Jessica for her excellent performance representing the school at both Local and Regional Finals.

STUDENT REPRESENTATIVE COUNCIL ('SRC') REPORT

BY **KARLY DOLLE**
Librarian (Rel)
NBSC Cromer Campus

SRC Report

There has been a multitude of exciting events happening the past two terms at Cromer that have been led and organised by the Student Representative Council. I've been incredibly proud of all the students involved and how they have worked together, showing great initiative, to create these opportunities for themselves and their peers.

Recently we have seen:

- An excursion to the World Vision Leadership Conference at Luna Park
- Year 10 Boys' Mentoring Program run by Paula Latu and Caleb Maxwell
- Principal's Morning Tea with the Leadership Team
- 'Pink' Mufti Day - fundraising for the Breast Cancer Foundation - lead by Emily Fryett in conjunction with the Dream Big Program
- NAIDOC Week celebrations and activities organised by Anasha Rostamians and Mele Pulu
- Quadfest - lead by Caleb Maxwell and working with Mr McKee
- Superhero Mufti Day – fundraising for Bear Cottage
- World Vision Backpack Challenge – where students' participation promoted awareness of the Refugee Crisis while raising money to assist displaced children worldwide
- Inter-Year Sports Competition between Year 7 and Year 8 – organised and run by Sports Captain Alex Timoteo Rey Hunt
- Year 12 vs teachers soccer match and BBQ fundraiser for Aussie Farmers
- 2018-19 SRC and Leadership elections and Induction Assembly

As part of some of these initiatives, the SRC has managed to raise over \$2,200 for local, national, and international charities.

I would like to take this opportunity to sincerely thank and congratulate our outgoing Leadership Team, who have made an invaluable contribution to the school and Student Voice throughout the year. I have no doubts that you will all go on to pursue fantastic opportunities, and, if your past year in leadership is anything to go by, be wildly successful, wherever you end up.

Year 10 Mentoring Program – “Using the Past to prepare the Future”

By Paula Latu

The Year 10 Boys' mentoring program is an initiative run by none other than the Cromer Campus leadership team. Caleb Maxwell, Alex Timoteo Rey Hunt and I ran a session once a fortnight every Friday at lunch, welcoming all Year 10 boys to an informal discussion based on the idea of preparing for senior education in the next two years to come. We felt like we carried a responsibility to ensure that the younger students, particularly Year 10, are comfortable in their transition into Years 11 and 12 and have some sort of valid expectation of the senior life through the words of current senior students. Topics such as: the importance of syllabus, valuing and utilising all teachers, how attendance is greatly influential on senior education, Year 11 and 12 content relation and more were elaborated on in these sessions. We hope that we have made a positive contribution to their senior education and each student has taken something valuable out of our sessions as they prepare for 2019-2020.

'Pink' Mufti Day - Fundraising for the Breast Cancer Foundation

By Emily Fryett

During Week 8 of Term 2 Cromer Campus had a mufti day to raise awareness and support for the Breast Cancer Foundation. Mr Oliver came to an SRC meeting six weeks before, expressing interest in the event and I decided I would like to help. He registered the fundraiser with the foundation and I planned the details and designed the posters which were put up around the school advertising the event. I had help from Ms Dolle who helped to make ribbons to sell and printed the posters. We held a Mufti day, and sold cupcakes and ribbons to raise money. Mrs Stevens donated the 200 pink cupcakes which were popular on the day. The whole day was a big success and the students loved it. In total, we raised \$840 for the foundation, which is very impressive.

2018 - 19 SRC and Leadership Team Elections and Induction Ceremony

Year 12 2019 Leadership Team

Madison Brilman
Lakisya Efras
Marcus Moran
Anasha Rostamians
Amy Gill
Eloise Harley-Bryant
Natalie Jaegers
Jordan Young
Eryn McLachlan
Isabele Rocha Martins
Jye Tattersall

This term students had the opportunity to nominate themselves for positions as representatives on the 2018-19 SRC and Leadership Teams. Each nominee had to present a short speech in front of their peers (which can be incredibly daunting) before the whole year group and teachers voted. I would like to congratulate the students on being elected as student representatives.

Year 11 2019

Mitchell Casey
Jayden Hurst
Shawn Hutton
Skye Jones
Annika Morrison
Max Naylor
Ethan Steele

Year 10 2019

Hayley Butler
Mia Klein
Tailani Latu
Alex Williams

Additionally, Integrated Studies have held their own elections for representatives, and I would like to congratulate the students who were successfully elected - Lucca Bandiera, Justin Chamberlain Herd and Annika Morrison.

Year 9 2019

Riley Cook
Mia Herriot
Jade Nelson
Bella Pickering
Tenzin Rigsang Kyishi
Olivia Schumacher
Liam Spencer

We welcome you to the Student Representative Council and look forward to having you all working with us for the 2018-19 leadership year!

LOTE & INTEGRATED STUDIES

Community Access Day with Languages

Here are some narrations from students in 7/8B.

Jack Pansini

On Tuesday we went to Chinatown in the city by the B1 bus. The thing I liked most was the Emperor's Cream Puffs, they were really nice. For lunch I had honey chicken with rice, that was also pretty nice. After lunch we went to the Chinese Garden of Friendship, I really enjoyed looking at the statues of the zodiac animals.

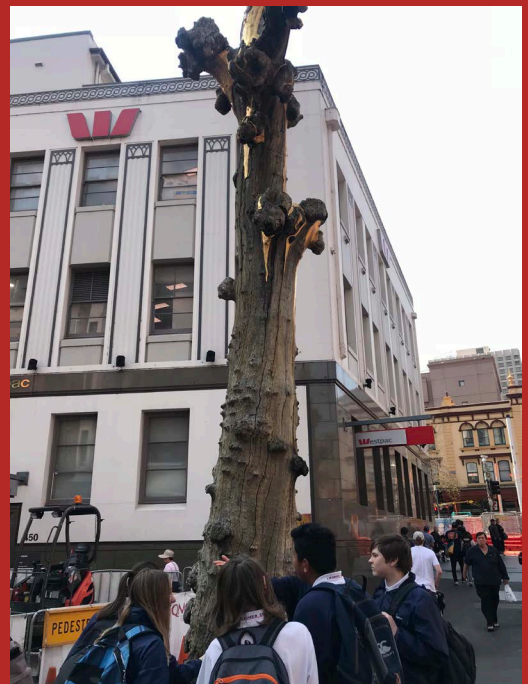

Kiah Mau'u

We left the school at 9:30AM and walked to the bus stop to catch the 146 to Dee Why. Then we caught the B-Line bus to Wynyard and walked to Chinatown. We went to the food court first but it was closed, so we went to the Golden Tree and spent some time there before going back to the food court. We all sat together at the food court to have lunch. Later we walked to the Chinese Garden of Friendship where we went on a quest to find all the hidden zodiac animal statues. After the Chinese Garden of Friendship we walked a long way to the bus stop to catch the 180 back to school.

Luke Lidgard

On Tuesday I went to Chinatown in the city – we got there by the B1 bus, for lunch we went to eating world. After lunch we went to the Chinese Garden of Friendship, we saw lots of animals like ducks, water dragons and turtles.

LOTE & INTEGRATED STUDIES

Luca Bandiera

We went to Chinatown. We got the bus. My favourite part of the day was the pork and chive dumplings and the Emperor's cream puff – they were so yummy! I also loved the Chinese Garden of Friendship .

Justin Chamberlain Herd

On Tuesday September 11th we went to Chinatown near Haymarket and Central Station. We left school and went to Fisher Rd North and caught the 180 bus. Then we got on the B-Line to Wynyard Station, then we walked to Chinatown – that was fun! For lunch we went to Eating World. I ate Szechuan Beef with rice, it was spicy and awesome AND worth it! Afterwards we also went to the Chinese Garden of Friendship to look at the culture there. The agriculture was very interesting.

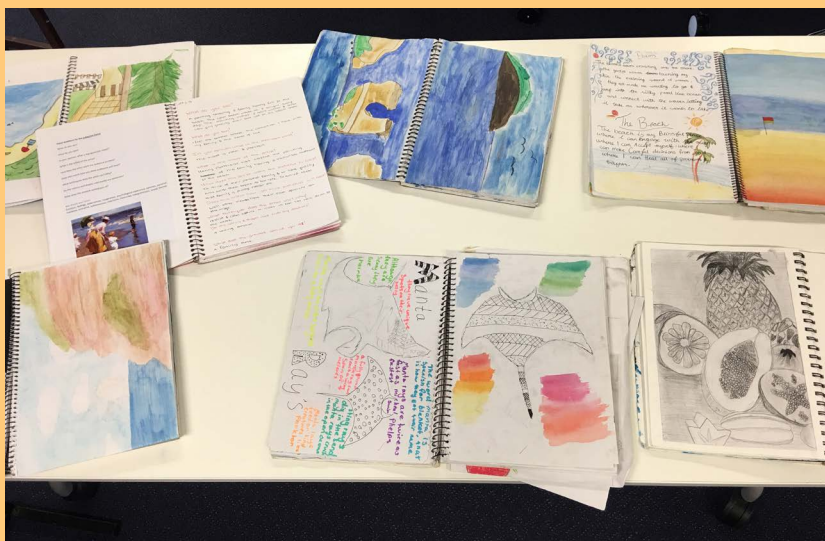

Arwen Moran

What I liked most about the Chinatown excursion: I liked the fried rice with chicken and vegetables. I really liked the ice teas, it is called Cha Time. Chá 茶 in Chinese means tea. I got an iced green tea with lemon. I enjoyed going to the Chinese Garden of Friendship where I saw pretty fishes and some of the zodiac animal statues. I liked the serenity of the garden.

YEAR 9 EXHIBITION NIGHT

A Celebration of Talent

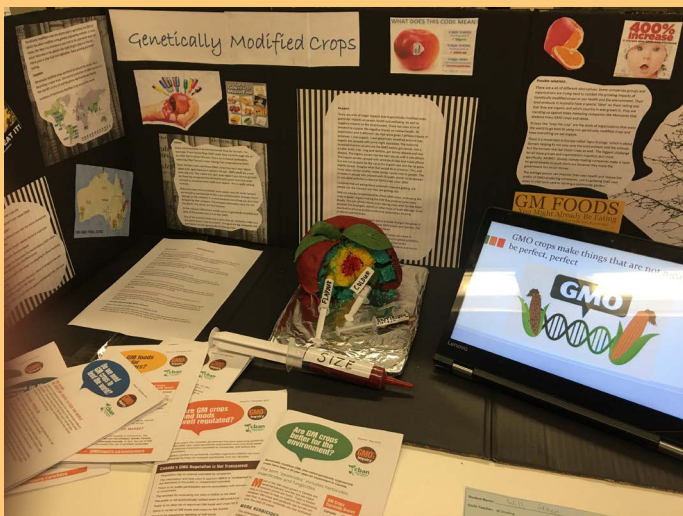

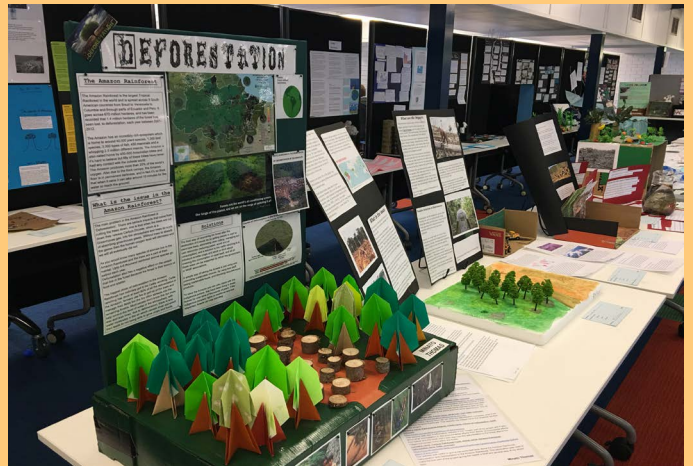

Year 9 celebrated their talents in Week 5 this term with a night displaying their works. The faculties on display were HSIE, CAPA (Art) and English.

The community was very impressed with the quality of work, with many commenting to staff personally how surprised they were of the talent level apparent in the year. Students also were so proud of their work, with many hours clearly spent on the pieces of work.

Week 9 sees the Year 8s displaying their work to the public and visiting primary schools.

CROMER CAMPUS HONoured AT TOURNAMENT OF MINDS FINALS

Congratulations to our three teams of Years 7 to 10 students who were recently honoured at the Tournament of Minds Sydney North Regional Finals at Roseville College.

This year Cromer Campus had three teams of students competing against other government and private schools in Tournament of Minds challenges in categories of STEM, Language Literature and The Arts.

The judges can award only one winning team for each category at the Tournament of Minds Regional Finals and we were unable to repeat our first place win of last year for the STEM category. However all our students proudly represented Cromer Campus this year with all three of our teams achieving a special 'Honours Award' from the judging panel, which is an outstanding accomplishment!

We are extremely proud of our students for demonstrating dedication and self-direction in collaboratively devising their solutions and for their commitment to extra-curricular GATS opportunities at Cromer Campus. All of our Tournament of Minds students and their families will be celebrating their success at an upcoming morning tea with Principal Justin Hong.

We look forward to even more teams of Years 7 to 10 Cromer Campus students successfully participating in Tournament of Minds in 2019.

ENGLISH FACULTY CREATIVE WRITING FUN WITH BROOKVALE PUBLIC

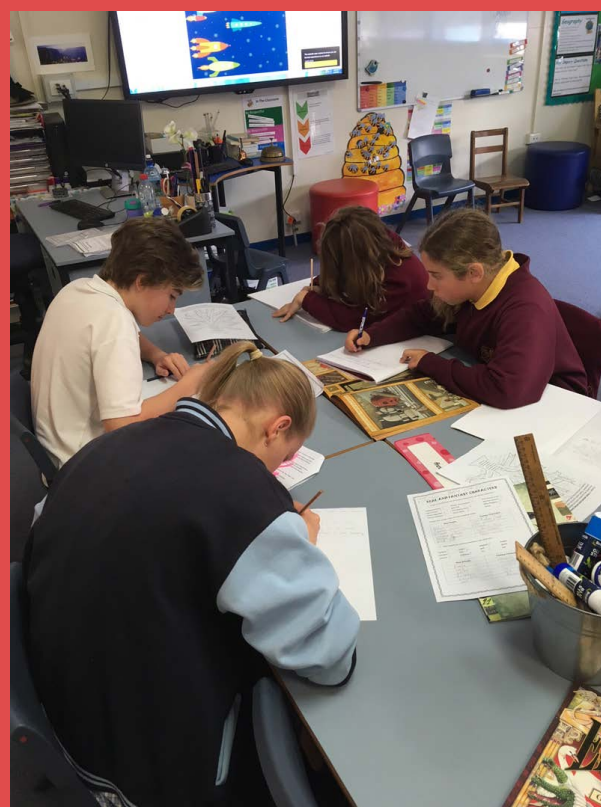

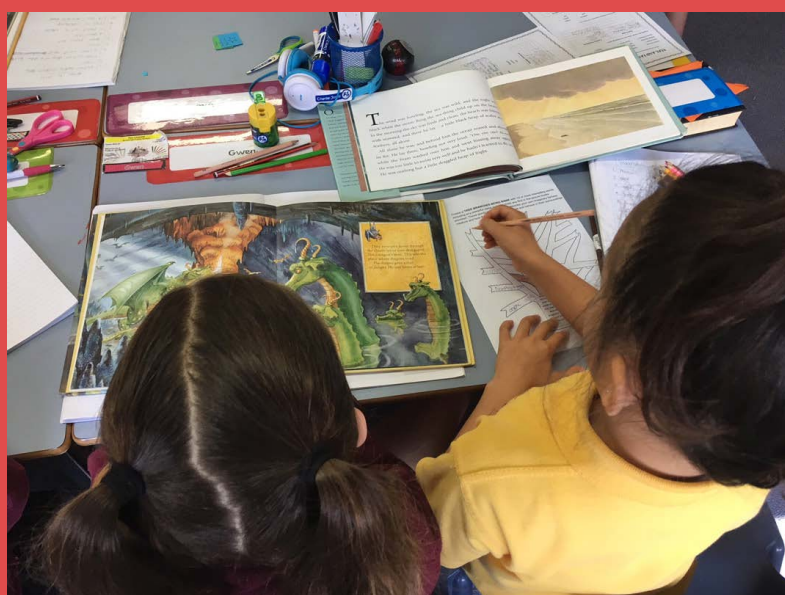

This term Brookvale Public School Year 4 and 5 students collaborated with some of our English Enrichment students in a fun 'Imagined Worlds' creative writing workshop. The result was a vast array of highly original creative writing led by English Teacher Annette Brooks with an enthusiastic team of Cromer Campus mentors: Chloe Herriot, Jayden Hurst, Sarah Schumacher and Ethan Steele.

Brookvale Teacher Rebecca Thomson reported that their Year 4 to 6 students had a fantastic time creating original ideas for their fantasy stories. The students said they had lots of fun participating in the writing and drama games and when reflecting on their learning, several students said, "I learnt to be brave and keep my pencil moving."

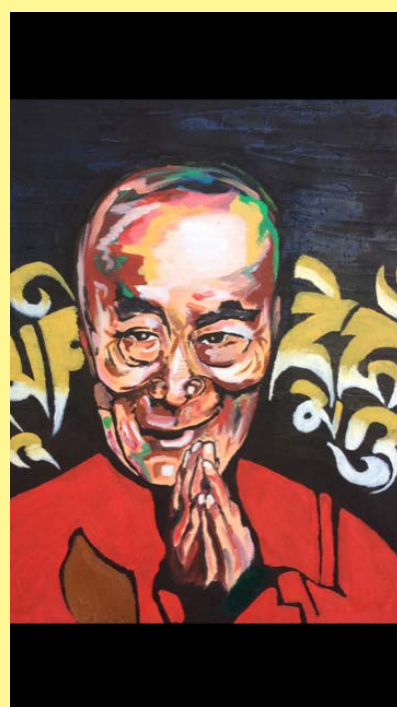

Our Cromer Campus student mentors were very impressed with the passion and enthusiasm of all the Brookvale primary students involved in the workshop. Ms Thomson appreciated our student mentors "interacting in such a wonderful way to support and inspire our students. Their ability to act as both mentors and learners was a lesson in itself." We are all looking forward to reading the final drafts of the Brookvale students' fantasy stories in the near future!

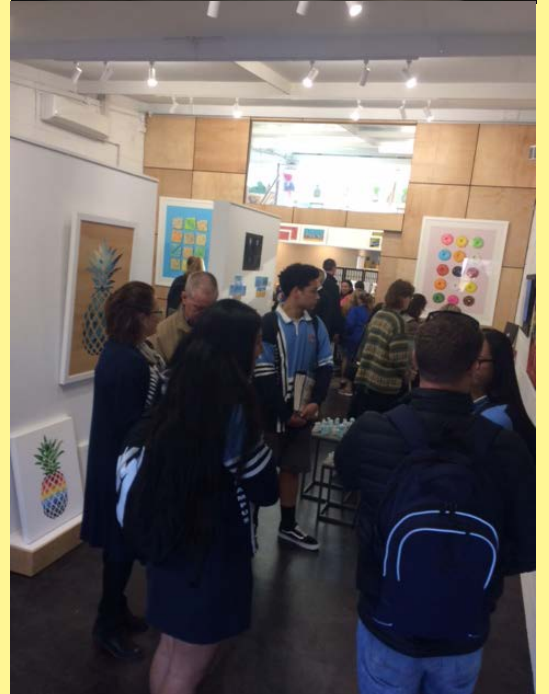

CAPA FACULTY HSC MAJOR WORKS EXHIBITION

VA, Music & TAS at 'Diversarty' Art Gallery

All Year 12's HSC major works have been submitted for marking. Congratulations to all of our students on their hard work and efforts over the course of the year. We celebrated with a VA exhibition in the gallery across the road from the school, including Music performances out the front on a beautiful sunny afternoon.

CAPA FACULTY

CAPA FACULTY

Visual Arts Excursion

On the 19th September, Year 12 Visual Arts enjoyed one last excursion and visited both the Manly Art Gallery and the Museum of Contemporary Art. At Manly Art Gallery, the students viewed the work of well known brothers Chris O'Doherty (AKA Reg Mombassa) and Peter O'Doherty. Reg Mombassa is widely recognized for his graphic work for the street clothing brand Mambo.

After a quick visit to Manly Gallery we hopped on the ferry to Circular Quay and visited the MCA. Here, Year 12 immersed themselves in the contemporary art-world and enjoyed the work of Chinese artist Sun Xun as well as the work of many other exciting new artists.

Upcoming CAPA Events

Band Tour

The Concert Band will be heading north on a road trip, performing at a number of schools throughout northern NSW over the course of three days in early Term 4.

Annual Music Showcase

In late November we will be showcasing everything that is happening in Music. Performances by the Concert Band, String Group, Vocal Ensemble, Junior and Senior Contemporary Ensembles, Rock Bands and more!.

STUDENTS' ACHIEVEMENTS

Outside the School Environment

In this Cromer Courier we would like to acknowledge some of the wonderful achievements of our students outside of the school environment.

Nicolas Gallardo has achieved some excellent results in the Special Olympics NSW Interclubs swimming competition and is continuing with his training for future events. Nico came first in 25m Butterfly, 25m Backstroke, 25m Freestyle, 50m Backstroke, 50m Freestyle as well as second in the 4x50m Freestyle relays.

Well done Nico!

Tom Ragen-Nath continues to excel in his basketball achievements in Special Olympics. His team in the B Grade competition placed 2nd in the Nationals in Adelaide, and achieved two 1st places and another 2nd in weekend competitions.

Great job Tom.

Luca Bandiera played soccer this year with the Avalon Football Club. Congratulations for being the recipient of the very prestigious 'Inspirational Achievement Award'. This award is in its 38th year and is in memory of a dedicated and inspirational player, Andrew Weft. Previously this award has been given to a team and has never before been presented to an individual.

Well done Luca!

HSIE FACULTY MULTI-CULTURAL DAY

BY **NATHAN HORLEY**
NBSC Cromer Campus
HSIE Teacher

HSIE celebrates global
cultures in the Annual
Multicultural Day

Another successful Multicultural Day for HSIE students from Years 8-11 took place during Week 6 of Term 3. Students viewed and actively participated in performances from a variety of different cultural groups, including Indigenous Australians, Bollywood dancing from India and Taiko drumming from Japan.

During the morning session students learnt about Indigenous Australian culture with demonstrations of didgeridoo playing, bush telephone, traditional hunting techniques involving a variety of boomerangs, traditional dancing, face painting and art.

HSIE FACULTY

For the lunchbreak in the Quad, Year 9 Commerce students set up food stalls to market and sell a variety of traditional foods and drinks to their fellow students and staff. After lunch, the afternoon sessions involved students learning about and actively participating in Bollywood dancing in the Gym and Taiko Drumming in the Hub.

Students learnt about a variety of cultures during this very enjoyable Multicultural Day.

HSIE FACULTY

DREAM BIG - LOVE WHAT YOU DO

Layne Beachley
Foundation

BY **ALISON STEVENS**
Girls' Support
NBSC Cromer Campus

Thank you to all the girls who attended Dream Big on the 7th of September. It is always great to see girls from all year groups attending these events. Our guest speaker was Trish Crews, the CEO of the Layne Beachley Foundation. Trish inspired our students as she shared her story.

Aminah Alhamid from Year 9 said "It was absolutely amazing, she had inspired me so much after she gave her speech about her journey and about how her journey is still going. She reminded us how we should always be there for each other."

Julia De Leon, also from Year 9, said that "Trish was an inspiring and beautiful women and she made me feel that I belonged and was special."

The message of the Dream Big program, which was constantly reinforced by our guest speaker, is to persevere and never give up. The key message is that when women support women they can achieve their dreams.

Transport
for NSW

School travel update

Application information - June 2017

Information for parents, guardians and students

Our school has partnered with Transport for NSW to use the new online School Portal for endorsing school travel applications.

You are now able to manage all your school travel needs online including applying for school travel passes and tracking the status of your application.

The application process has also been simplified so that a new or updated application for school travel passes is only needed when a student is:

- applying for a school travel pass for the first time
- requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody).
- changing school or campus
- changing home address
- receiving an expiry notification
- repeating a school year
- changing their name
- requesting a new transport operator.

This means students who are progressing to year 3 and year 7 only need to reapply if they are changing circumstances.

Students who are not residents and are temporarily in Australia can also provide their visa subclass number and exchange program (if prompted) when applying online, making the application and approval process much faster.

Parents, guardians and students can apply or update their details online at:

www.transportnsw.info/school-students

If you do not have access to the internet contact 131 500 for assistance.

for NSW**

Compulsory School Attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school. What should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department

may apply to the Children's Court for a *Compulsory Schooling Order*. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.

Further information regarding school attendance can be obtained from the following websites:

Policy, information and brochures:

Please visit the Department of Education's *Policy library*

The school leaving age:

Please visit the Department of Education's *Wellbeing and Learning* website

Do you need an interpreter?

Interpreting services are available on request, including for the hearing impaired. The Telephone Interpreter Service is available 24 hours a day, seven days a week on 131 450. You will not be charged for this service.
